IILM UNIVERSITY

Date : 09/08/2024

Ref. No: **Engineering/2024/22355**

Dear Mr Pranay ,

Congratulations! We are delighted to offer you provisional admission to IILM University's Undergraduate Program B. Tech in Computer Science & Engineering for the 2024.

At IILM University, our tagline "Learn with Purpose, Lead with Purpose" encapsulates our vision. We offer a student-centric educational environment where you will make lifelong friendships and create unforgettable experiences. Our vibrant campus is your one-stop destination for all amenities to enrich your university life.

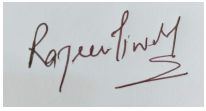

During your undergraduate journey, you will be assigned a personal mentor. This mentor will guide you academically and personally, helping you make the most of your years here. Upon joining, you'll also be integrated into our global alumni network of over 16,000 individuals.

This is a provisional offer letter and to secure your seat, please complete the required documentation and fulfill the necessary admission criteria as per our guidelines on or before 09/08/2024

Should you have questions, please contact Sakshi Babbar at Sakshi.babbar@iilm.edu or 7303610602

Welcome to the IILM University family. We look forward to seeing you on campus soon.

Sincerely,

Dr. Rajeev Tiwari
Professor & Dean of Sciences
IILM University, Greater Noida

Please note-
1.An additional charge of 600 per Annum will apply for the Doctor on-campus service.
2.A fee of 800 will be charged annually for health insurance. Students who already have health insurance must submit documentary evidence for verification.
